

## Fonteverde listed among the “top 10 international destination spas” in Travel + Leisure’s ‘World’s Best Awards’ 2017

It is with great honour that we announce Fonteverde was voted fifth in the list of ‘Top 10 International Destination Spas’ in Travel + Leisure’s ‘WORLD’S BEST AWARDS’ 2017. We would like to extend our deepest thanks to all Fonteverde guests who voted for our hot-springs resort in this coveted award! Every year, US magazine Travel + Leisure asks their readers to scour the entire planet to find the finest

hotels and greatest getaways as a part of their annual ‘World’s Best Awards.’ Entries come from all corners of the globe and include top hotels, resorts, cities, islands, cruise ships, spas, airlines, and more. The awards provide a comprehensive list of the world’s must-visit places in 2017, naming Fonteverde among those not to be missed!

Destinations were ranked by T + L readers based on accommodations and facilities, treatments, service, food, and overall value. With our renowned reputation as a leader in the thermal spa industry, it is no wonder that Fonteverde was awarded an incredible 93.88 out of 100.

Fonteverde is a beautiful former residence of the Medici family, one of the most famous and wealthy families in Italy. The exclusive resort, a member of Leading Hotels of The World and part of Italian Hospitality Collection, was built in the 17th century by the Grand Duke Ferdinando I de' Medici. Fonteverde features 78 elegant and refined guest rooms set in a picturesque rural setting, with seven healing pools and a 5,000 square metre spa offering more than 100 treatments, from Oriental disciplines and massophysiotherapies to aesthetic treatments, fitness and diet programmes.

*Nightly rates at Fonteverde start from €308 (£274\*) per night for two in a Queen room on weekdays on a B&B basis. Rates also include wi-fi, access to spa and fitness facilities. To book visit [www.fonteverdespa.com](http://www.fonteverdespa.com).*

*\*Price in pound sterling accurate according to today’s exchange rate.*
