Bagni di Pisa, Tuscany, Launches Brand-New Family Spa and Cookery Experiences

Families Can Recharge and Reconnect with Pampering Family Spa Treatments and a Private Italian Cookery Class

August 2018// [Bagni di Pisa](#), the Italian Hospitality Collection's five-star spa hotel in Tuscany, is delighted to unveil a brand-new 'Family Bagni di Pisa' package for all the family to enjoy.

Located above natural hot springs in the picturesque Tuscan countryside, Bagni di Pisa is the former 18th century summer residence of the Grand Duke Francesco Stefano of Lorena and its ancient thermal pools have long been renowned for their soothing and healing properties.

Guests participating in Bagni di Pisa's exclusive three-night family package will enjoy a range of fun family activities including private Italian cookery lessons, chocolate spa treatments and a pampering couple's massage for stressed-out parents.

A private cookery class with Umberto Toscano, executive chef of Bagni di Pisa's Dei Lorena restaurant, will teach budding young chefs and their parents all the basics of Italian cuisine. The classes will be specially tailored to capture children's imagination and encourage them to whip up their favourite Italian dishes at home with their parents.

After their cookery class, families will enjoy chocolate massages using a delicious mixture of sea salt, essential oils and pure cocoa butter. Not only does the mixture smell good enough to eat but it has also been proven to improve the appearance of the skin, stimulate circulation and even boost the participant's mood.

Alongside their family spa treatments, parents will enjoy an additional relaxing eighty-minute couple's massage complete with fresh fruit and refreshing cocktails, which promises to leave them feeling completely relaxed and recharged.

Whilst their parents are busy being pampered, children will be expertly looked after as part of the package's complimentary two-hour babysitting service.

Guests booking the 'Family Bagni di Pisa' package will be hosted in the hotel's most luxurious Suites and Junior Suites and will receive full access to the hotel's indoor and outdoor thermal pools and bioquarium circuit, Turkish sauna, Thalassotherapy sea salt flotation pool and guided morning hikes with a fitness trainer. Finally, families will also enjoy daily buffet breakfasts and three indulgent à la carte dinners at Dei Lorena.

Rates for the three-night family spa and cookery class package start from €2,258 (£2,010) for two adults and two children (up to thirteen years old). Rates include three nights B&B, three à la carte dinners at Dei Lorena restaurant, two 25-minute chocolate massages for two, one 80-minute couple's massage, a private cookery class, a 2-hour babysitting service with entertainment activity and full access to the Bagni di Pisa spa facilities.
